

Implement Traffic Management Plan (TMI) Full program

RIIWHS302E

Turn your staff into
everyday legends with
Upskills QLD and SAVE!

Purpose

Our purpose is to help people feel empowered to do the best they can everyday for the benefit of themselves, their employer and the community they protect.

How We Deliver this

Theory

8 hours

Classroom Based Training

Written assessment which requires a 100% pass mark.

Practical Activity

Set up 3 Traffic Guidance Schemes of differing complexity under trainer supervision over half a day.

Add Working In Proximity To Traffic (WIPT)

WIPT 1 & 2 is a TMR online course and is a pre-requisite to a TMI course. It is often difficult for students to complete. Add this to the full course for only \$130 per student which includes TMR fees, email login, use of device and trainer guidance.

Statement Issued

Upon successful completion of theory and practical activities, including WIPT, participants will be issued the Statement of Attainment and TMI card. Digital copies of the card can be issued if required.

Eligibility Criteria

- ✓ Hold a valid construction white card.
- ✓ Hold a valid Driver Licence or alternative photo ID.
- ✓ Complete TMR's Working in Proximity Part 1 and 2.

Certificate Validity

The Traffic Management Implementation (TMI) card is valid for 3 years. After 3 years participants are required to undertake a renewal course.

Our Accreditations

Funding

Eligible candidates may be able to access CSQ funding for this course which would reduce or remove their financial contribution.
