

Operate truck or trailer mounted attenuators (TMA)

RIIRTM301E

Turn your staff into
everyday legends
with Upskills QLD
and SAVE!

Purpose

Our purpose is to help people feel empowered to do the best they can everyday for the benefit of themselves, their employer and the community they protect.

How We Deliver this

Theory

8 hours

Classroom Based Training

Written assessment which requires a 100% pass mark.

Practical Activity

Simulated and live practical activities will be conducted on the day.

Workplace Mentoring

On completion of the theory component of the course candidates are required to complete approximately 20 hours of workplace mentoring, consisting of 3 operation implementations.

Statement Issued

On successful completion of the course participants will be issued a nationally recognised statement of attainment and an Upskills TMA Card.

Eligibility Criteria

- ✓ Hold a valid construction white card.
- ✓ Hold a valid Implement Traffic Management Plans (RIIWH302E) accreditation
- ✓ Have a current and valid heavy vehicle licence of a suitable class to operate the TMA i.e. MR licence or above

Certificate Validity

On successful completion of the course participants will be issued a nationally recognised statement of attainment and an Upskills TMA Card.
